# FUSE

Introducing **Fuse** and **Unify**, patterns that have the ability to “clik”—that is, to blend well and work in harmony with one another. So we’ve named it the Clic collection, the newest offering among our random, mergeable UNLimited styles.

The **Clic Collection** is engineered to handle the performance requirements of public interiors, such as healthcare, K-12, Higher Education and corporate environments. Designed to be versatile in both pattern and color, Clic may be installed using one color in both patterns or using one pattern in two different colors. It’s a variety of looks that just plain clic!
