COLOR WASHED

# COLOR WASHED

The watercolor effect of moving from light to dark colour is translated into our newest hard surface product, **5528V Color Washed**. Each color reveals the beauty of color gradation across several tiles.

The visual is a fine grained wood with subtle horizontal etchings.

# SUPERIOR PERFORMANCE *featuring*

Advantium core is engineered for extreme durability in the most demanding environments

- The rigid Advantium core provides best-in-class impact and dent resistance
- No acclimation required
- 100% waterproof
- Thermally stable

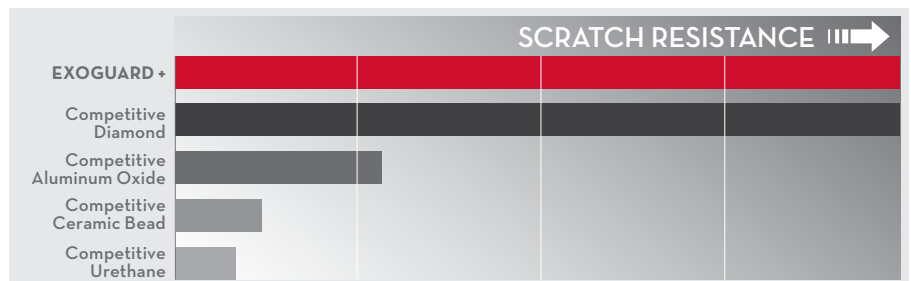

## ADVANTIUM™ CORE

## EXO GUARD™ + FINISH

A low maintenance finish with industry-leading scratch and stain resistance

- Our proprietary high performance resin coating offers increased flexibility and adhesion properties allowing for a more durable finish
- Marks and scuffs are easily removed with isopropyl alcohol or Shaw R2X® Hard Surface Flooring Cleaner
- No polish/wax required

Martindale Scratch Test BS EN 16094:2012

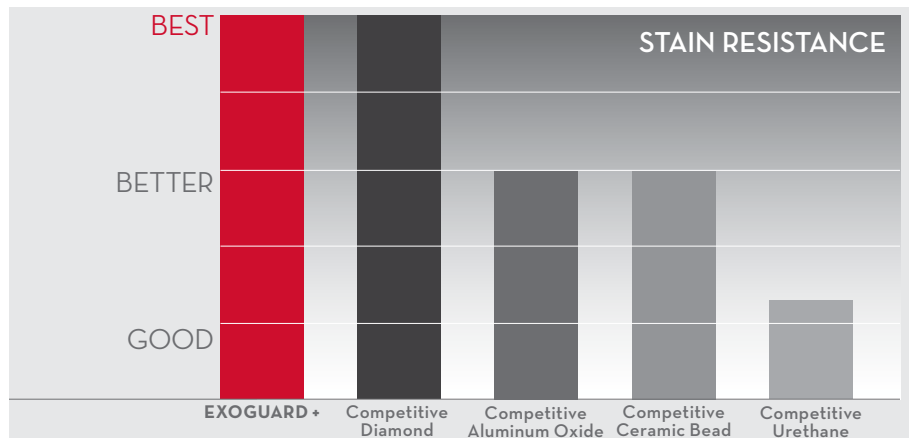

### CLEANING & MAINTENANCE

VCT

Non-ExoGuard + LVT

EXO GUARD +

requires less cleaning and maintenance than standard LVT and VCT.

ASTM F95 Chemical & Stain (plus Medical Stain Resistance)
