

CROSS SECTIONS COLLECTION

CUTAWAY

DIAGRAM

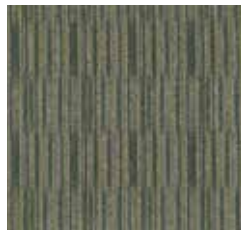

CUTAWAY

The **Cross Section** collection combines light and dark yarns with dense texture to create unique patterns overall. **Cutaway** is a large-scale pattern that balances bands of vertical color with subtle horizontal movement to create an uncommon stripe on the floor. Its companion, **Diagram**, features a medium scale texture reminiscent of an oversized sisal. Together or on their own, these two designs are perfect in any space.

In fact, **Cross Section's** nine-color patterns was selected for its ability to satisfy the needs of a wide variety of potential end uses – from the Tenant Improvement market to corporate, retail and higher education.
