AD LIB & UNSCRIPTED

54474 AD LIB

Strong colors and saturated neutrals mesh with bold pattern and defined texture to create Ad-Lib and Unscripted, two tile products offered in the Off the Cuff Collection.

Ad-Lib is a blend of large and medium scale geometric shapes that change color and degree of contrast throughout the tiles. This dynamic pattern is meant to make a statement on the floor. Its companion, Unscripted, is a more subtle visual than Ad-Lib, but it still provides a lot of activity due to the constant change in color and contrast levels of the pattern.

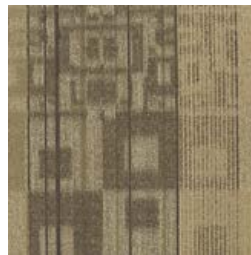

Ad-Lib and Unscripted are offered in 9 color families. Four of the colors are basic neutrals that soften the bold patterning, while the balance of the line uses strong color to further enhance the patterns.
