EVOKE

ENCHANT

EVOKE

Spellbound best describes our two newest patterns, **Evoke** and **Enchant**. Evoke's play of horizontal and vertical lines mimics a traditional plaid that's been enhanced with the modern twist of an accent color. It's companion, Enchant, offers a near solid texture that can serve as a blank canvas for designing a visually compelling field of color.

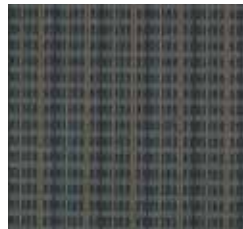

Spellbound's fashion forward color palette is a collection of beautiful saturated neutrals versatile enough for just about any application – from high traffic retail, education and healthcare to high image corporate markets.
