**Backing - Tuftbind/Zippering** - Shaw warrants that, under normal use, carpet coated with our high performance backing system will provide superior tuft bind properties in high traffic environments.

**Backing - Edge Ravel** - Shaw warrants that, under normal use, carpet coated with our high performance backing system will not edge ravel when seams are properly sealed per commercial installation guidelines.

**Backing - Integrity/Delamination** - Shaw warrants that, under normal use, the secondary backing on carpet coated with our high performance backing system will not delaminate from the face carpet.

What you should do if any of the above problems occur and you need warranty service:

You (the original purchaser) should notify the authorized Shaw Dealer and/or your Shaw representative and submit in writing, the following:

- A valid proof of purchase in the form of a sales receipt or other documents, which establish proof of purchase.
- A detailed description of the problem and/or a photograph/sample that clearly shows the warranty problem.

To: [www.shawNOW.com](http://www.shawNOW.com) or Shaw Industries – Financial Services, P.O. Box 2128, Dalton, GA 30722. Shaw will designate a representative to inspect the carpet in question and evaluate the warranty claim.

## WHAT IF YOU NEED WARRANTY SERVICE?

Should a defect covered under this warranty be found, the affected area will be repaired to conform to the warranty. If repair is not commercially practical, Shaw may, at its sole option, replace the affected carpet or refund the proportional purchase price for the affected area.

Shaw will pay the reasonable costs for freight and labor. Any costs incurred for the moving of equipment, furnishings, partitions and the like, that were installed over this carpet will be at the consumer's expense.
